Sir,

Cancellation - inam tenure - Banjar lands - endowed to Chennakesavadevaru temple, Bhadrarajapur Agrahar, Tirthahalli Taluk.

In forwarding herewith the vernacular records received with the Shimoga Deputy Commissioner's letter No.Muz.1.C.442/30-31 dated 26th July 33 (copy enclosed) on the above subject, I have the honor to state as follows:-

The temple in question is endowed with the marginally noted inam lands in Devalapur village. On the report of the Special Duty Amildar dated 31-7-29 that the temple was in ruins, that the idol was broken and worship had ceased, the Sub Division Officer declared the institution as defunct and ordered that the balance (Rs 147/-) at the credit of the institution should be credited to General Muzrai Funds

2. Of the inam lands endowed to the institution only three S. Nos. viz., 20, 124/2 and 114 are reported to be under cultivation and the rest banjar. S. No.20 which is a garden land is in the possession of one Ramanna whose brother (deceased) is stated to have obtained a long lease of the land from the Kulkarni of the institution on Alve tenure subject to paying assessment and cesses on the land for the first 12 years and a migate of R 15/- per annum from the 13th year. The Deputy Commissioner reports that the

lessee has invested much money on the land and recommends that the la be leased out to Ramanna for a period of 30 years on an annual rental The other two S.Nos.(124/2 and 114) which are wet, are stated to yield an annual income of 11 candies of paddy and a cash of R 5/-.

3. The villagers request that the above 3 cultivable lands belonging to the defunct temple may be transferred to Sri Gopalakrishnadevaru temple in Devalapur, which is a minor institution with a sanctioned scale of income and expenditure for Rs 120/-. The Deputy Commissioner reports that this latter temple is kept in good condition and that services are done regularly therein. He recommends that S.Nos.20, 124/2, and 114 may be transferred to Sri Gopalakrishnadevaru temple as praved for by the villagers and that the banjar lands belonging to the defunct temple be removed from the inam head and disposed of as Sircar lands, the proceeds being credited to General Muzrai Fund. As the income from the cultivable lands is not appreciable, I request that sanction of Government may kindly be accorded to their transfer to the Sri Gopalakrishnadevaru temple and to the cancellation of the inam tenure of the banjar lands as proposed by the Deputy Commissioner. On receipt of Government orders necessary orders will be passed by this office regarding the lease of S.No.20.

4. Copies of Shimoga Deputy Commissioner's letter No.Muz.1.C.442/30-31 dated 21-7-32 and this office letter dated 6-8-32 addressed to the Deputy Commissioner are enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

No.Muz.1.C.442/30-31 dated 26-7-33 from the Deputy Commissione. imoga District, to the Muzrai Commissioner in Mysore.

village endowed to Sri Chennakeshavadevar of Bhadrarajapur Agrahar in the Tirthahal Taluk, I have the honor to state that except S.Nos. 20, 124/1 and 114 which are under cultivation the rest are banjar lands. The inam tenure of the banjar lands only may be cancelled as there is n one to take them up for cultivation.

Of the three lands that are cultivated S.No.20 is a garden land and is i the possession of Nadiwalara Ramanna. The previous Vahivatdar of the temple has leased it out on Alve condition in 1919 subject to paying the assessment of R 4-10-0 including cesses for the last 12 years and R 15/- as migate from the 13th year for a period of 500 years. As much money has been spent by his brother Manjanna (now deceased) to bring the land under cultivation hi undivided brother Ramanna has requested that the land might be leased out to him for a period of 30 years subject to his paying a rent of R 15/- p.a. as the areca plants planted have not yet begun to yield. Both the Amildar and the Sub Division Officer recommend that the lease may be granted to Ramanna f a period of 10 years at an annual rent of R 15/- for the present. But as th lessee is reported to have spent much to bring the garden to a fit condition it seems desirable to lease it out for a period of 30 years instead of ten in the interest of the better cultivation of the lands.

It is reported that the other two S.Nos. which are wet are cultivated tenants along with the inam lands of other two temples Sadasivadevaru and Vinakayadevaru and give in all 11 candies of paddy and a cash of RS 5/- and that the paddy is sold and the realisations are adjusted towards the Govern dues on the inam lands.

At the request of the villagers the Amildar and the Sub Division Offic recommend that the three cultivated lands S.Nos.20, 124/1 and 114 may be transferred to Sri Gopalakrishnadevaru in the Devalapur village as the temp building is in good condition and services are done regularly therein.

This temple is a minor institution with a scale of income and expendi sanctioned for it for Rs120/-.

As the income from the above three S.Nos. is not appreciable that they may be transferred to the Sri Gopalakrishnadevaru temple its resources.

The income from the cultivated lands is said to be hardly sufficient to pay the Government dues (Jodi and cesses) on all the inam lands. Both the Amildar and the Sub Division Officer recommended the resumption of the lands their disposal as Sircar lands and the credit of the proceeds to the General Muzrai Funds.

The Sub Division Officer was asked to report if the lands could be granted to any other similar institutions now or old.

He reports that there is no good giving such lands to an institution.

In these circumstances, the inam tenure of the land may be cancelled and they may be ordered to be sold as Sircar lands and the proceeds credited to General Muzrai Funds.
